NOTE: All standard rifle and pistol moulds use handles #2735793, and four-cavity moulds use handle #2735794. Bullet weights listed are nominal and may well vary from bullets dropped from a given mould. Variations between listed nominal weights and actual as-cast weights have absolutely no effect on accuracy. These bullet illustrations are artists' renderings. They are for general reference only and are not intended to be precise representation.

★ Indicates single cavity.
